

# Mary MARSON c1785 – 1821

Mary MARSON's webpage is at: <https://jansquire.com/tng/getperson.php?personID=11181&tree=squire>

Mary MARSON was born in 1785 according to the age recorded on her probable death record, although I am only moderately satisfied that the selected death record is the correct one. I do have a convincing record that she married John REDWOOD on 21 September 1808 in Ashbrittle, Somerset. John and Mary had three children that I can find records for, before Mary dies in 1821 in Clayhanger, Devon. She was only 36 years of age, so had a rather short life.

## **Origin of the Surname MARSON**

English midlands; Variant of Marston , a common placename which was often spelled and pronounced Marson. French: habitational name from any of the places so called in Marne and Meuse, or from Marçon in Sarthe. This surname is also found in Germany.

## **Mary MARSON b 1785**

Mary MARSON was born about 1785, according to her age recorded on her burial record. She married John REDWOOD in 1808, in Ashbrittle, Somerset, and died at a relatively young age in 1821 in Clayhanger, Devon.

Mary is Jan's great x 4 grandmother, and her daughter married a SQUIRE.

I have written a narrative for the REDWOOD surname, and you can read it here:
