

William TRELOAR 1800 – 1857

William TRELOAR was born in the south west corner of Cornwall, at Wendron, in 1800, most likely to a mining family. He married Ann PASCOE in 1824, had 12 children by 1844, and then decided to bring the entire family to South Australia in 1847. There is no firm evidence that he was a miner, but it is most likely that he worked in the mining industry. The family settled in Kapunda, but some members of the family soon took land north of Kapunda and became farmers. William died in 1857 at the young age of 57 years, but he left a large number of descendants in the colony.

William's earliest ancestor I have found is his great grandfather William TRELOAR, born around 1710 in Wendron, Cornwall. Wendron is a tiny village in a good copper and tin production area, but mining declined in the mid 1800's, when the later William emigrated to South Australia. William senior married Mary, as noted on their son Bennet's baptismal record. I cannot find earlier marriage or baptismal records.

Fig 1. Wendron (1) Cornwall. Penzance is just off the left of image, and Truro is near the top right.

Bennet was born in 1737, in Wendron, to William and Mary, and married Jane REED in 1766, in Wendron. One of their children was Benjamin TRELOAR, born in 1770. The FamilySearch website shows lots of children, but I am not sure how accurate that information is.

Benjamin TRELOAR married Penelope ROWE in 1795, and William was born in 1800, in Wendron, Cornwall. He married Ann PASCOE in 1824, and they had twelve children by 1844. They all lived long enough to set sail for Australia.

William brought his family from Cornwall to South Australia, on the ship 'Royal Sovereign' in 1847, and immediately settled in Kapunda. He and Ann lived there for the rest of their lives. His fourth child was Ann, born in 1831 in Wendron, Cornwall. She made the long voyage with the rest of the family in 1847, but soon moved to Adelaide. She met William Laity MORRIS and married in the capital in 1853. I have previously written about the MORRIS family, and the story continues in that narrative.
